BRAINSTORMING SESSION WITH NEW IMMB DIRECTOR

The brainstorming session among postgraduate students with IMMB Director was held on 23 August 2020. The aims of this session were to gather inputs, and to discuss issues related to student welfare, facilities and equipment. This two-way interaction session has gathered a lot of valuable suggestions for IMMB improvement.

SPRING CLEANING DAY-ARCHIEVE ROOM (CONSUMABLES STORAGE)

This bi-annual event was conducted on 28 September 2020. This activity is important to ensure that all students get the appropriate storage space in an organized and tidy condition.

IMMB AND INDUSTRIAL TRAINING STUDENTS

IMMB had received 15 industrial training students from Universiti Teknologi Malaysia (UTM) for 3 months (August –November 2020). They were exposed to research environment and involved in laboratory work guided by supervisors and IMMB staff. At the end of the attachment, they have presented their research findings and shared their experience through IMMB Journal Club.
